

# STAR HEADLIGHT & LANTERN CO.

## LASER® TOW BARS

7650-TB10-Y

(Back View)

### Specifications and Features

- Extra bright PC amber Lineum LED heads
- 12 Customer selectable flash patterns
- Economically designed (electronics with only the features you need)
- Rugged exterior, extruded aluminum bases, and UV stabilized polycarbonate lenses provide a lean, more assertive stance to any vehicle form
- Compatible with 7 power wire roll back tow trucks
- Power is drawn from the enable wires, no need for a constant hot wire
- Compatible with bulb out sensors (each input wire supplies current for that function)
- Built in Stop/Tail/Turn functionality
- Two flash enables (ex. front and rear enable)
- One steady burn enable (ex. work lights)
- Serviceability - top extrusion removes completely for easy access to modular components
- Dimensions: 2-5/8"H x 12-1/4"W x 58"L
- Voltage: 10-16V DC
- Approvals: SAE Class I when properly configured

	Wire Color	awg	function
